THE QUESTION EVERYONE ASKS

Where does the money come from?

Income comes exclusively from real market returns — not from new deposits.

Capital & profits stay with the client

YOUR LEVERAGE · PARTNER SYSTEM

THIS IS WHERE YOU EARN

30%

flow into the partner system — Lot Commissions, Profit Share, Global Pool.

PARTNER PROGRAM

LOT COMMISSIONS

Compensation depends on trading volume:
For every trading lot in your structure you receive a fixed commission down to 10 levels deep

LEVEL OVERVIEW

	COMMISSION PER LOT		
LEVEL 1	$2.00	LEVEL 6	$0.50
LEVEL 2	$1.00	LEVEL 7	$0.50
LEVEL 3	$1.00	LEVEL 8	$0.50
LEVEL 4	$1.00	LEVEL 9	$0.50
LEVEL 5	$0.50	LEVEL 10	$0.50

Principle: The more levels you unlock, the deeper you earn — for every lot traded in your structure.

QUALIFICATION

- **Client**
  At least $250 in active trading
- **Partner**
  At least $250 in active trading

UNLOCKING LEVELS

Own deposit $250	3 levels right away
1–3 direct partners	still 3 levels
From 4 direct partners	1 partner = 1 new level
10 direct partners	all 10 levels active

PARTNER PROGRAM

Profit Share

Profit Share depends on the chosen strategy.

When the strategy makes a profit, you as a partner receive a share of it — across 10 levels of your structure. You unlock the depth through your direct partners; how much per level depends on the chosen strategy.

PARTNER PROGRAM

∞ Infinity Bonus — no depth limit.

Your leadership bonus on the Profit Share: your rate applies from level 1 of your structure — unlimited depth.

NEW VOLUME PER MONTH

Your rate · from level 1, unlimited depth

YOUR ENTRY			
$50K	$200K	$500K	$1M
1.5%	3%	4%	5%

The scale keeps going: $3M 5.5% · $7.5M 6% · $15M 6.5% · $25M 7% · $40M 7.5%

MONTHLY

Only the month's new volume counts — not your accumulated total. The bonus is calculated and paid once a month.

THE 50% RULE

A maximum of 50% of your qualifying volume can come from a single line. Infinity takes at least two strong lines.

THE DIFFERENCE RULE

If a partner in your line reaches an Infinity level of their own, you earn the difference between your rates on their structure — e.g. 3% vs. 1.5% → 1.5%. In all other lines you earn your full rate.

Two strong lines, $50,000 in new monthly volume — and your entire structure starts paying you.

TRACKING IN YOUR IB PORTAL

PARTNER PROGRAM

GLOBAL POOL

Additional income after reaching key team-volume thresholds.

> Once team volume reaches $300K and $1M you gain access to the global pools and additional income on top of standard commissions.

PARTICIPATION IN THE GLOBAL POOL:

A portion of the company's total income goes into the pool and is distributed among qualified partners.

KEY IDEA

Reach the volume — enter the pool — earn an additional percentage on your team's results

POOL LEVELS

POOL 1	+1% extra
$300K	1 LOT

POOL 2	+1% extra
$1M	1,5 LOT

Note: participation requires monthly qualification confirmation. Volume must be confirmed each month.
