PARTNER PROGRAM

PROFIT SHARE

PROFIT SHARE DEPENDS ON THE CHOSEN STRATEGY.

When the strategy makes a profit, you as a partner receive a share of it — across 10 levels of your structure. You unlock the depth through your direct partners; how much per level depends on the chosen strategy.

Infinity Bonus — no depth limit.

Your leadership bonus on the Profit Share: your rate applies from level 1 of your structure — unlimited depth.

NEW VOLUME PER MONTH

Your rate : from level 1, unlimited depth

YOUR ENTRY	$200K	$500K	$1M
$50K	3%	4%	5%
1.5%			

The scale keeps going:

$3M	$7.5M	$15M	$25M	$40M
5.5%	6%	6.5%	7%	7.5%

MONTHLY

Only the month's new volume counts — not your accumulated total. The bonus is calculated and paid once a month.

THE 50% RULE

A maximum of 50% of your qualifying volume can come from a single line. Infinity takes at least two strong lines.

THE DIFFERENCE RULE

If a partner in your line reaches an Infinity level of their own, you earn the difference between your rates on their structure — e.g. 3% vs. 1.5%. In all other lines you earn your full rate.

Two strong lines, $50,000 in new monthly volume — and your entire structure starts paying you.
