How Partners Grow

100+100 → 4,800 USD

trading exposure with Amplify 24× — not your money, risk works both ways

Entry · Dennis Promo — new partners, once. Your own 100 USD plus a 100 USD bonus open a Sonic AI MT5 account that trades as 4,800 USD with Amplify 24×. Amplify increases exposure — and risk — in both directions. Your 100 USD can be withdrawn after 30 days, but withdrawing it before 12 months liquidates the account and ends the promo. The bonus: only after 12 months. Profit: any time.

JetUP is your bridge to TAG Markets.

TAG Markets is the licensed broker in the background. JetUP is the infrastructure that takes you there. Your money does not sit with JetUP — it sits in your own account at TAG Markets.

70% of the profit goes to the client

30% goes to the system — trader, infrastructure, partner side

→ from these 30% — to partners **Profit Share**

Lot Commission and Global Pool are paid from broker margin; Profit Share comes from the 30 % share of strategy profit. Never from client deposits.

Your money — your own account at a licensed broker
TAG Markets: FSC Mauritius, and FSCA South Africa since 2026.

Withdrawals via the broker, on average ~48 h
Profit can be withdrawn at any time; fees and limits are the broker's terms.

No packages, no fixed return
No staking, no deposit plans, no fixed daily or monthly return.

THE FOUR INCOMES

from your first partner to a company-wide pool

01 Lot Commission — every lot your structure trades

up to **8.00** USD / lot

L1	L2	L3	L4	L5	L6	L7	L8	L9	L10
2.00	1.00	1.00	1.00	0.50	0.50	0.50	0.50	0.50	0.50

Counted from real traded volume, not from deposits. Levels open: 250 USD own deposit → 3 levels · 1–3 direct partners → still 3 · from the 4th direct partner +1 level each · 10 direct partners → all 10. Qualification for everyone: min. 250 USD of active trading.

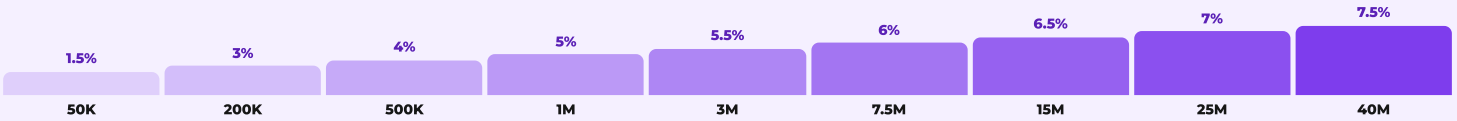

02 Profit Share — from what Sonic AI earns

1.5% × 10 levels

Profit Share is paid out of the 30 % share: 1.5 % of the Sonic AI strategy profit on each of 10 levels. Never from client deposits.

03 Infinity Bonus — new team volume per month, from the whole depth

up to **7.5%**

50% rule. Your strongest line counts at most up to half of the threshold (1M → max. 500K from it), all other lines in full — so Infinity needs at least two strong lines. The level is set anew every calendar month.

Difference rule. If a partner in your line has reached an Infinity level of their own, you receive the difference between your rates from their structure. An extra percentage on top of Profit Share, from level 1 down to unlimited depth.

04 Global Pool — you grow with the company

1% of profit + per lot

Pool 1 · 1% of profit + 1 USD/lot
from 300,000 USD fresh capital a month + 1 lot

Pool 2 · 1% of profit + 1.5 USD/lot
from 1,000,000 USD fresh capital a month + 1.5 lots

For partners whose structure brings in large fresh capital every month. Qualification is confirmed every month; the 50% rule applies; paid from broker margin.

ALONG THE WAY

team volume · consecutive months · voucher or cash equivalent

TRAVEL VOUCHER	ROLEX UP TO	ROLEX UP TO	REAL ESTATE VOUCHER UP TO
2,000 USD	15,000 USD	25,000 USD	1,200,000 USD
50K · 3 months	500K · 2 months	1M · 2 months	3M · 6 months

Team volume over consecutive months. Travel voucher or its cash equivalent. The real estate voucher is towards property, not a house handed over. Only campaigns listed in your partner account are open.

Risk warning. Trading Forex and CFDs involves significant risk and may result in the loss of your invested capital. Past performance is not an indicator of future results. JetUP is not a broker, not a bank and not a financial advisor; nothing here is investment advice. There is no fixed, daily or guaranteed return and no guaranteed income — what a partner earns can be zero. Conditions as of 04.10.2026 — check current terms in your partner account.
