ALTRUVA quick guide

Independent guide by MTG 👑 | Your Digital Architect. mtgtribe.com/altruva

The packages

Package	Price	Global leg window	Lucky Tickets	Rank it unlocks
Starter	$25	10 up, 10 down	1, once 2 directs join in 3 days	None
Builder	$50	15 up, 15 down	1	Nexus
Elite	$100	20 up, 20 down	2	Legacy Crown

Step up one package at a time or go straight to Elite. Each package once, never step down. The top package is $100.

Where every $100 goes

- **$40 global leg:** 1% per member in your window
- **$25 level matching:** the daily pool, smaller side
- **$5 Lucky Tickets:** 4,000 USDT to 250 tickets per draw
- **$25 working levels:** 10, 4, 2, 2, 2, 2, 1, 1, 1%
- **$5 ranks:** Nexus and Legacy Crown pools

Closed levels stay in the contract.

Withdrawals

Your total deposit	To your wallet	Reinvested
Up to 5,000 USDT	**50%**	50%
5,001 to 49,999 USDT	**60%**	40%
50,000 USDT and up	**70%**	30%

Claim first, then withdraw. A withdrawal always takes the whole balance. Working level income arrives without a claim. Lucky Ticket prizes go to your wallet in full.

Join and start strong

1. **Set up SafePal** and write your recovery phrase on paper. (Tutorial 1)
2. **Fund your wallet:** BNB on BNB Smart Chain, swap to USDT BEP20, keep at least $3 to $5 of BNB for fees. (Tutorial 2)
3. **Copy the sign-up link** of the person who introduced you.
4. **Join in SafePal Explore:** paste, choose BNB Chain, pick a package, approve and sign. (Tutorial 3)
5. **Tour your dashboard** so every number makes sense. (Tutorial 7)
6. **Use your first 72 hours:** claim what's waiting, and know what two directs inside three days open. (Explainer 7)

Then: claim a prize (Tutorial 4), withdraw to SafePal (Tutorial 5), cash out to your bank (Tutorial 6).

Six safety habits

- **Never share your recovery phrase.** Nobody genuine will ever ask for it.
- Copy links only from the person who introduced you, and check it opens altruva.io.
- Read every wallet screen before you tap Confirm.
- Keep at least $3 to $5 of BNB for fees.
- Only use money you can afford to lose, and withdraw regularly.
- Hide balances and addresses before you share a screenshot.

The honest part

Payouts come from members' packages and reinvestments. No outside revenue is named, so earnings depend on new deposits and are not guaranteed. You can lose what you put in. Learn first, start small if it fits, and judge it by what your own dashboard shows.
